Included in this Packet:

- Summary of Application Process
- Agreement for Reimbursable Services
- Application For Conditional Use Permit Request
- Supporting Documentation Checklist

The purpose of this document is to provide guidance in applying for a Conditional Use Permit in the Town of Pacific. The documents contained in this packet will help guide individuals or organizations as they plan and prepare submittal documents, providing for increased efficiency and a streamlined approval process.

Summary of Application Process

1. Contact the Town Clerk to obtain an application packet for a Conditional Use Permit Request in electronic form.
2. If you are not contacted by the Town Engineer within three (3) business days of receiving the packet, please initiate contact so the Town Engineer can hear the scope of your proposal.
3. After hearing the scope of your proposal, the Town Engineer will complete the Supporting Documentation Checklist contained in the packet, indicating which information you will need to complete before submitting the application. You may obtain the Town Engineer's contact information on the Town's website at www.tn.pacific.wi.gov or from the Town Clerk.
4. The applicant shall submit to the Clerk, one comprehensive electronic copy, in PDF form and four (4) comprehensive copies, in printed form, identical in all respects to the electronic copy.

EACH PACKET SHALL CONTAIN THE FOLLOWING:

- Letter of Intent which includes a statement describing the general intent and character of the intended development as well as an estimated timeline for phased and final development.
- Completed Reimbursable Services Agreement
- Completed Application For Conditional Use Permit Form
- Completed Statement of Understanding
- Completed Supporting Documentation Checklist and all associated documents requested by the Town Engineer
- Appropriate Fees payable to the "Town of Pacific"

The Applicant shall submit all documentation to the Town Engineer **a minimum of 21 days** prior to the meeting of the Plan Commission at which action is desired. If the submittal packet is found to be incomplete, you will not be eligible for Plan Commission action. Any Town action on the submitted request requires full documentation in accordance with this checklist, and the Town Engineer.

- a. Town Plan Commission meets the 1st Tuesday of the month at 5:30 PM
 - b. Town Board meets the 3rd Tuesday of the month at 6:00 PM
5. Plans should be submitted to Columbia County for review as well. Please Contact the Columbia County Planning and Zoning Department for more information.

Fax: (608) 742-9817

6. The Town Engineer (and other Town representatives as appropriate) shall review all of the submitted documents and determine the completeness of the application. The Town engineer will work with you to make sure that you have all of the appropriate information for your submittal.
7. Once the Town Engineer has indicated that you have submitted all of the required information, the Town Clerk will distribute the completed packet to the Town Plan Commission to the Town Clerk for distribution to the Town Plan Commission.

If the documentation is found to be incomplete or inaccurate, your project will not be added to the Plan Commission Meeting agenda and will not be discussed until all of the appropriate documentation has been submitted.

8. Once the submittal is complete and has been preliminarily reviewed by the parties mentioned above in step 6, a **Public Hearing** will be held so that neighbors and other concerned citizens have an opportunity to voice their opinions. Please plan to attend this public hearing.
9. Once the public hearing is completed, the Plan Commission will review the documentation, consider any public comments, and consider the Town Engineer's recommendation, and, by majority vote, either approve or reject the application for conditional use permit. Plan on attending this Plan Commission Meeting as well. Either the property owner or representative must be at any meetings where his/her Conditional Use Permit request is considered.
10. If a conditional use is recommended for approval by the Plan Commission to the Town Board and the Town Board approves it, the Columbia County Board of Review must also review and approve the change before it can take effect.

ASSOCIATED FEES

The application fee, escrow fee and review fees are set forth on the Town's Fee Schedule, which is on file with the Clerk and is also available on the Town's website. No approvals will be executed while review fees, that have been billed, remain unpaid.

Agreement For Reimbursable Services

In the Review of Conditional Use Permit Requests
Town of Pacific, Columbia County, WI

The cost of application review for all Conditional Use Permit requests shall be borne by the Applicant. The Applicant shall pay all reasonable Town of Pacific incurred expenses relating to a particular Conditional Use Permit request. This may include meeting charges, professional consultants, or other relevant Town expenses incurred in connection to the Conditional Use Permit request. The Town reserves the right to apply the charges for these services as well as for staff time, mileage, and Town equipment usage expended in the administration, investigation and processing of applications to the Applicant.

The Applicant is required to provide the Town with an executed copy of this agreement as a prerequisite to the processing of the Conditional Use Permit request application. The submittal of a Conditional Use Permit request application shall be construed as an agreement to pay for such professional review services applicable to the proposal. Review fees which are applied to an Applicant, but which are not paid within 30 days of the issuance of a bill by the Town will accrue interest at a rate of 1.5% per month until the fee is paid in full.

Supporting Documentation Checklist for Conditional Use Permit Request

This document is to help you track your progress on the requested items by the Town Engineer. You should receive a checklist similar to this from the Town Engineer that has the required information marked in the corresponding box. If you are not contacted by the Town Engineer within three (3) business days of receiving the packet, please initiate contact so the Town Engineer can hear the scope of your proposal and send you a completed version of this checklist indicating the information you will need to provide for your project. Contact information for the Town Engineer is located on the bottom of the next page.

- A Project Site Map sheet which includes the following information (*more than one sheet may be used to include this information*):
 - General project location, including surrounding area within a two mile radius of the site
 - Total ownership area
 - Accurate (to scale) map of the project area including its relationship to surrounding properties, existing topography, and key natural features
 - Existing and workable proposed grades (contour lines at two foot contour interval minimum) and surface drainage. Supplement the contour lines with spot elevations along drainage swales where necessary. If the project is adjacent to an existing improved street, elevation of the top of curb, road, and sidewalk shall be indicated at 50 foot stations. If the street and/or sidewalk is not existing, proposed elevations shall be shown.
 - Complete existing and proposed storm sewer and sanitary sewer information including pipe sizes, invert elevation of manhole, inlets, etc
 - Property lines, building sizes, locations and distance between both existing and proposed
 - Location of all easements, existing or proposed
 - Location, type and size of all existing trees, utility poles, fire hydrants and other structures, etc., both on-site and in all street terraces adjacent to the site
 - Parking lot information:
 - A scaled drawing plot plan of 1" = 20' or larger of all on-site surface, structure or underground parking
 - Location of driveway approaches -- existing, proposed and adjoining rate of slope or grade or approaches and driveways
 - Indicate number, arrangement and size of parking stalls and drive aisles
 - Vehicular access to inner courts for emergency servicing of buildings
 - Pedestrian walks connecting buildings, other buildings, and on-site parking areas and with public sidewalks. (Walks should be kept separate from drive aisles and driveways.)
 - Building floor plans and elevations
 - Underground electric and telephone service
 - Building/dwelling unit information:
 - Number of buildings per parcel
 - Number of dwelling units per building
